## PROJECT DATA SHEET

| Project Address: | Submittal Date:         |  |
|------------------|-------------------------|--|
| Applicant(s):    | Permit Type(s) & No(s): |  |

|   | REQUIRED/  | Existing  | Proposed  |       |
|---|------------|-----------|-----------|-------|
|   | Permitted  | Condition | Condition | Notes |
| Zone District   |            |           |           |       |
| Building Site Area  |            |           |           |       |
| Density (multi-family projects only)                                |            |           |           |       |
| <b>Building Coverage</b>  |            |           |           |       |
| Site Coverage   |            |           |           |       |
| Gross Floor Area  |            |           |           |       |
| Square Footage not counted towards<br>Gross Floor Area              |            |           |           |       |
| Impervious Surface Area Created and/or Replaced                     |            |           |           |       |
| Exterior Lateral Wall Length to be demolished in feet & % of total* |            |           | ft/%      |       |
| Exterior Lateral Wall Length to be built                            |            |           |           |       |
| Building Height   |            |           |           |       |
| Number of stories   |            |           |           |       |
| Front Setback   |            |           |           |       |
| Side Setback (specify side)   |            |           |           |       |
| Side Setback  |            |           |           |       |
| (specify side)  |            |           |           |       |
| Rear Setback  |            |           |           |       |
| Garage Door Setback   |            |           |           |       |
| Covered Parking Spaces  |            |           |           |       |
| Uncovered Parking Spaces  |            |           |           |       |
| Parking Space Size<br>(Interior measurement)                        | 9' x 20'   |           |           |       |
| Number of Driveways   | 1          |           |           |       |
| Driveway Width(s)   |            |           |           |       |
| Back-up Distance  |            |           |           |       |
| Eave Projection (Into Setback)                                      | 3' maximum |           |           |       |
| Distances Between Eaves & Property<br>Lines                         | 3' minimum |           |           |       |
| Open Porch/Deck Projections   |            |           |           |       |
| Architectural Feature Projections                                   |            |           |           |       |
| Number & Category of Accessory<br>Buildings                         |            |           |           |       |
| Accessory Building Setbacks   |            |           |           |       |
| Distance between Buildings  |            |           |           |       |
| Accessory Building Heights  |            |           |           |       |
| Fence Heights *If project proposes demolition to an HR.             |            |           |           |       |

<sup>\*</sup>If project proposes demolition to an HRI structure, also indicate % of proposed demolition of the surface of all exterior walls facing a public street or streets, if applicable.
