3. Discussion of Single-Use plastics ordinance currently being developed
   a. The Beautification and Natural Resources Commission is developing a draft ordinance that will include the elimination of single use plastics, including shampoo and toiletries.
      i. Members of HID related that they have already made the shift to wall-mounted dispensers and found that they are more cost effective, use less labor and are welcomed by guests.
      ii. Several members tried making that shift years ago and found resistance; the feeling of all was that times have changed and the shift to refillables has been more readily accepted by guests
      iii. Tim McGill asked that the ordinance give hotels ample time to make any required switch in order to budget for installations, order new supplies, etc.

4. Received an update on MCCVB activities from Amrish Patel, the HID/Pacific Grove representative.
   b. Year-to-date, HID had paid in $142,000 while the City has contributed the remainder of $200,000 invested in advertising. That investment has turned in to a $1.7M return in group bookings directly from the “SeeMonterey” website to PG lodgings. That in turn is expected to have an overall economic impact of over $6M.
   c. MCCVB continues to work on ways to separately feature PG through blogs, articles, etc.

5. Kelly Winger presented an upcoming Monterey feature section for the SF Chronicle. She presented the online marketing campaign of the HID and offered to work with any hotel interested in placing ads. She presented a broad variety of approaches that can be used to feature Pacific Grove; she noted that Pacific Grove’s beauty is the top attraction for visitors.
6. Mr. Ammar reported on the nomination and election of a new member of the Advisory Board: Amrish Patel - Centrella Bed & Breakfast Inn and Robert Boerner of Pacific Gardens Inn

7. The group discussed upcoming plans for the US Open. Guests at Pacific Grove hotels receive free shuttle rides to/from events. Guests report that the free shuttle is a great attraction. Prices are robust and bookings strong. President of Pebble Beach Company David Stivers will be the speaker at the Chamber meeting on Wednesday, February 27, 2019, 8:00 a.m. at Tourist Information Center.
   a. As an aside, Mr. Ammar reports that the Beachcomber will be closing before the US Open and will remain closed for an estimated three years for extensive renovation. It was reported that the owner is considering offering camping on the extensive grounds of the Beachcomber.
