AGREEMENT BETWEEN THE CITY OF PACIFIC GROVE, 
THE PACIFIC GROVE PUBLIC LIBRARY FOUNDATION, AND 
THE FRIENDS OF THE PACIFIC GROVE PUBLIC LIBRARY

This Agreement ("Agreement") is made as of this ___ day of December, 2019, by and among the City of Pacific Grove, a political subdivision of the State of California (the "City"), the Pacific Grove Public Library Foundation, a California public benefit corporation (the "Foundation"), and the Friends of the Pacific Grove Public Library, a California public benefit corporation (the "Friends") (collectively, the "Parties").

WHEREAS, the Pacific Grove Public Library (the "Library") is a department of the City and has continuously provided library services since 1908 for the benefit of the community at 550 Central Avenue, Pacific Grove, California;

WHEREAS, the Foundation is an Internal Revenue Code Section 501(c)(3) tax-exempt organization formed to raise funds for the Library and oversee the investment of funds donated to it for the benefit of the Library;

WHEREAS, the Friends is an Internal Revenue Code Section 501(c)(3) tax-exempt organization formed to raise funds and support the Library;

WHEREAS, the Parties are parties to a certain Agreement executed as of May 21, 2012 (the "First Agreement"), pursuant to which a stewardship fund (the "Stewardship Fund") was established with Community Foundation for Monterey County ("Community Foundation") to hold and invest funds previously donated to the City and the Friends for a Community Room project;

WHEREAS, the First Agreement provides that the Stewardship Fund is to be used exclusively for "future Library building capital improvements" (defined to include "structural additions, remodels or new construction...that put the Library Building into an improved condition" and "not ordinary maintenance or repair activities"), and for a committee (referred to herein as the "Stewardship Committee") to be established, consisting of two (2) representatives of Friends, two (2) representatives of the City, and one (1) Foundation representative, to review the capital improvement requests of the Library;

WHEREAS, pursuant to the First Agreement, the Stewardship Fund was opened in the name of the Foundation, with the Community Foundation, which administers the Stewardship Fund;

WHEREAS, the City and the Foundation are parties to an Agreement that was fully executed as of September 12, 2016 (the "Second Agreement"), pursuant to which all of the Stewardship Funds were disbursed to the Foundation for it to hold in such bank account(s) as the Foundation shall establish in its sole and absolute discretion for purposes of facilitating the disbursement of the Stewardship Funds to the City for the Library Renewal Project approved by
the City Council on February 17, 2016 (the “Initial Renewal Project”); and also pursuant to which the City agreed to expend the funds held in the Library Donations Fund (31) and the Library Building and Equipment Fund (07) (the “Initial City Funds”), as identified in Exhibit B, prior to submitting requests for reimbursement to the Foundation;

WHEREAS, pursuant to a Memorandum of Agreement dated October 24, 2016, the Foundation and the Friends established a Fund for the Future and a Joint Investment Committee to oversee the expenditure of the Fund for the Future, which fund is also held in a stewardship fund with, and invested by, the Community Foundation for the Monterey Peninsula (the “Fund for the Future”);

WHEREAS, the Initial Renewal Project has been superseded by an expanded Library Renewal Project as described in Exhibit A attached hereto (the “Renewal Project”) and expenditure of Stewardship Funds for that expanded project was approved by the Stewardship Committee;

WHEREAS, the Renewal Project was approved by City Council on February 21, 2018, along with a City funding commitment of $400,000 for the Renewal Project;

WHEREAS, the cost estimates for the Renewal Project exceeded the funds available in the Stewardship Fund and the City’s funds and funding commitment for the project;

WHEREAS, the Friends and the Foundation agreed to the creation of a fundraising campaign (the “Capital Campaign”) to raise additional funds to supplement the Stewardship Fund and City commitment and further agreed to contribute additional unrestricted funds to bring the total funds for the Renewal Project to $2,500,000; and

WHEREAS, the cost of the final Renewal Project, as approved by the City on August 21, 2019, including contingencies, exceeds the funds raised by the Capital Campaign, the funds previously approved for expenditure on the Renewal Project by the City, and the other funds previously committed to the Renewal Project by the Foundation and the Friends;

WHEREAS, the Joint Investment Committee approved the expenditure of $60,000 from the Fund for the Future, and the Foundation Board approved the expenditure of an additional $86,279 to make up half of the total deficit in the amount of $146,279 (the “Foundation Supplemental Funds”);

WHEREAS, City Council, at its August 21, 2019, meeting, agreed to make up the other half of the deficit in the amount of $146,279 and approved the expenditure of an additional $146,279 of City funds (“City Supplemental Funds”); and

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth in this Agreement, the Parties agree as follows:
1. **FUNDS; USE OF FUNDS.**

1.1. **Available Funds.** The funds available for the Project, as further described and defined in Exhibit B, comprise the following funds:

1.1.1. The “City Funds,” which for purposes of this Agreement, shall mean the Initial City Funds as defined in the Recital above and the City’s Fiscal-Year funding commitments with the exception of the City Supplemental Funds.

1.1.2. The “City Reserved Funds” shall mean the $212,800 in City funds set aside for the costs associated with the lease of the temporary facilities, *tenant improvements*, and moving costs. The City’s total estimated cost of the one (1)-year lease, moving costs and *tenant improvements* is $272,800.

1.1.3. The “Stewardship Funds” which shall mean the existing funds in the Stewardship Fund which the Foundation holds for expenditure subject to the restrictions set forth in the First Agreement.

1.1.4. The “Foundation and Friends Funds” which shall mean $200,000 approved by the Foundation for expenditure from its PGPL Foundation Fund held at Community Foundation, and $200,000 approved by the Friends for expenditure from its general, unrestricted funds.

1.1.5. The “Grant Funds” shall mean funds granted by third party funders to the City and the Friends for use on the Renewal Project; and

1.1.6. The “Community Donations” shall mean funds raised by the City designated as “Community Donations” on Exhibit B, and the Community Donations raised by the Friends, the Foundation and community members.

1.1.7. The “Supplemental Funds” shall mean the Foundation Supplemental Funds in the amount of $60,000 from the Fund for the Future and the $86,279 from the Foundation, and the “City Supplemental Funds” in the amount of $146,279, as referenced in the Recitals above.

1.1.8. The funds listed on Exhibit B are the totality of funds available at the time of this Agreement’s signing for the Library Renewal Project described in Exhibit A. If any additional costs are incurred and/or funding is not sufficient to complete the entire Library Renewal Project, the Parties may enter into an amendment to this Agreement with respect to the agreed funding of such additional costs.

1.2. **Funds to be Held by the Foundation.** The Parties agree that the Stewardship Funds, the Foundation and Friends Funds, and the Community Donations
received by the Friends and Foundation shall be held in the bank account(s) established by the Foundation to be used exclusively for the Renewal Project, on the terms and conditions set forth herein. The Grant Funds shall be held by the City and the Friends as the recipient of such funds.

1.3. Use of Funds.

1.3.1. The Parties agree that the Stewardship Funds shall not be used for any purpose other than “Library building capital improvements” within the meaning of the First Agreement, and that the Stewardship Committee shall determine whether expenditures on the Renewal Project qualify as Library building capital improvements.

1.3.2. The Parties agree that only City Funds will be used for the cost of temporary relocation and continued library services (a) unless the Foundation and/or Friends approve expenditure of any portion of the Foundation and Friends Funds for this purpose, and (b) except for Grant Funds and Community Donations that are restricted to such purposes or as that may otherwise be used for such purposes as reflected in Exhibit B (e.g. $5,000 grant from Pebble Beach Company Foundation; $1,000 gift from Rotary to the City for youth/children services; and $27,500 of grant funds from Hayward Family Foundation).

1.3.3. If the City determines the Project will not proceed, or if there are unexpended funds after completion of the Project, any funds not returned to donors will revert to the Foundation and be held by the Foundation in the Stewardship Fund at the Community Foundation, excepting Grant Funds required to be returned to grant funders if not used for the purposes for which granted. In that event, the Stewardship Fund will no longer be governed by the Stewardship Committee (which will cease to exist at the end of the Renewal Project), and disbursements from the Stewardship Fund shall henceforth be approved by the Joint Investment Committee established by the October 2016 Memorandum of Agreement between the Friends and the Foundation to administer the “Fund for the Future.” These remaining Stewardship Funds will be used exclusively for Library building capital improvements. No part of these Stewardship Funds shall be used for Library operating expenses, ordinary maintenance/repair, or other City expenses.

2. HOLDING AND DISBURSEMENT OF THE FUNDS.

2.1. Parties Holding Funds. The Parties agree that the City shall hold and disburse the City Funds as well as Community Donations and Grant Funds received by the City as reflected on Exhibit B; that the Friends shall hold the Grant Funds received by it as reflected on Exhibit B for disbursement to the City by the Friends to reimburse the City for funds expended by the City on the Renewal Project; and
that the Foundation shall hold the Stewardship Funds, Foundation and Friends Funds, and all Community Donations made to the Friends and/or the Foundation for disbursal to the City by the Foundation to reimburse the City for funds expended on the Renewal Project. Disbursements shall be made as expenditures qualify, depending on restrictions on and stated purposes for the funds, as determined by the Party disbursing the funds and in accordance with the terms and conditions of this Agreement, as follows:

2.2. Order of Disbursement. Funds for the Renewal Project shall be disbursed in the following order:

2.2.1 Initial City Funds and FY 2018-2019 and FY 2019-2020 Funds. Except as provided in Section 2.2.2 below, the City shall expend the following funds first prior to submitting requests for reimbursement to the Foundation or Friends: (a) the entirety of any remaining Initial City Funds held in the Library Donations Fund (31) and in Library Building and Equipment Fund (07); and (b) the City’s FY 2018-2019 and FY 2019-2020 general fund commitments for this Renewal Project less the City Reserved Funds and the City Supplemental Funds.

2.2.2 City Reserved Funds and Certain Grant Funds held by the Friends. The following Grant Funds held by the Friends shall next be disbursed as follows: (a) $27,500 of the Hayward Family Foundation grant upon receipt by the Friends of invoices from the City reflecting that the City has expended funds to (i) relocate books and programing to the temporary location; (ii) pay rent or other charges due under the lease for the temporary facilities, or (iii) incurred costs related to the storage of furniture, fixtures, equipment, books and other Library personal property, materials and supplies as permitted by such grant; (b) $27,500 of the Foundation and Friends Funds, as defined in Section 1.1.4, and (c) the Pebble Beach Company Foundation grant ($5,000) for sustaining youth services during the Renewal Project upon receipt by the Friends of evidence that such youth services are operating. The City shall disburse the City Reserved Funds set aside for the lease of temporary facilities and moving costs concurrently as needed to pay the rent and all other charges due under the lease for the temporary facilities and moving costs.

2.2.3 Grant Funds held by the City. When the totality of the funds described in 2.2.1 has been expended, the City will expend any restricted Grant Funds in accordance with the granting requirements (e.g. $500 Gordon Foundation and $100,000 Monterey Peninsula Foundation grants) as reflected on Exhibit B. If the Grant-funded activities have commenced, the above funds held by the City shall be expended prior to the City submitting additional requests for reimbursement to the Friends or the Foundation. If the City has expended all funds in Section 2.2.1 and the Grant-Funded activities have not occurred, the Friends or the Foundation shall reimburse the City for capital improvements in accordance with the
following sequence set forth in 2.2.4 through 2.2.7. The City shall expend the Grant Funds as soon as the Grant Funded activity occurs.

2.2.4 Additional Grant Funds held by the Friends. When the totality of the funds described in Sections 2.2.1 and the Grant Funds described in Section 2.2.2 have been expended, the remaining Hayward Family Foundation Funds in the amount of $27,500 and the Packard Foundation grant funds held by the Friends in the amount of $200,000 shall be expended. When the totality of the funds described in 2.2.1 and 2.2.3, and the Grant Funds described in this Section 2.2.4 have been expended, the City may commence submitting requests for reimbursement to the Foundation as provided below.

2.2.5 Stewardship Funds. The Foundation shall disburse the Stewardship Funds next for qualified expenses (i.e. for “Library building capital improvements”) as determined by the Stewardship Committee within the meaning of the First Agreement as set forth in the Recitals hereto.

2.2.6 Community Donations and Friends and Foundation Funds. When the totality of the funds described in Section 2.2.5 has been expended, the City will expend funds from its Community Donations. When the totality of those funds has been expended, the Foundation shall disburse funds first from Community Donations held by the Foundation and then from the Friends and Foundation Funds; provided that the Foundation may approve prior disbursement of the Foundation and Friends Funds to pay for temporary relocation costs and services as needed.

2.2.7 Supplemental Funds. When the totality of the funds described in Sections 2.2.1 and 2.2.3 through 2.2.6 has been expended, the City shall expend City Supplemental Funds, with 50% of the invoiced costs reimbursed from the Foundation Supplemental Funds as described in the Recitals hereto. Notwithstanding the above, to the extent funds are reserved by the City for deposits required by Contractors in advance of work being completed, there shall be no requirement that the funds held by the City for such deposits be expended by the City prior to submitting requests for reimbursements to the Foundation or the Friends.

3. THE CITY’S OBLIGATIONS.

3.1. The City shall use its best efforts to ensure that the contractors or other third parties performing services for or relating to the Renewal Project (the “Contractor(s)”) shall submit invoices to City on a regular and timely basis, and, whenever possible, on not less than on a monthly basis.

3.2. The City shall be solely responsible for ensuring that all Contractor invoices are correct and accurately reflect the work completed for (or to be completed) or
related to, the Renewal Project.

3.3. The City shall be solely responsible for ensuring that the invoices paid by the City are as to work completed to the City’s satisfaction;

3.4. The City shall pay invoices approved by it, and shall notify the Friends or Foundation of the invoices paid by it for which it desires reimbursement from the Friends or Foundation on a monthly basis (each a “Monthly Reimbursement Request”), with such Monthly Reimbursement Request to include the name(s) of the Contractors paid and a brief description of the work performed by each Contractor. Upon the request of the Foundation or the Friends, the City shall provide copies of the contractor invoices or other supporting documentation with respect to its Monthly Reimbursement Requests.

4. OBLIGATIONS OF THE FOUNDATION AND THE FRIENDS.

4.1. The Foundation and the Friends shall reimburse the City on a monthly basis with respect to all Monthly Reimbursement Requests submitted as to work completed (and qualifying for reimbursement where the funds to be next disbursed are restricted as to use) and paid for by the City during the prior month. The Foundation or the Friends, as applicable, shall issue a check (or arrange for electronic transfer of funds) within ten (10) business days of the Monthly Reimbursement Request.

4.2. Nothing in this Agreement shall give the Friends or Foundation the right to deny or dispute payment of invoices, certify the completion of work on the Project, or otherwise interfere with any City decision pertaining to the Renewal Project. The City shall remain solely responsible for overseeing the Renewal Project and determining whether the work performed has been performed to the City’s satisfaction and whether Contractor invoices are to be paid.

5. INDEMNIFICATION.

5.1. City Indemnification Obligation. Except as provided in Section 5.2 below, the City shall indemnify, defend and hold harmless the Friends and the Foundation and such Parties’ officers, directors, agents, employees and volunteers against any loss, cost, damage, expense, claim, suit, demand, or liability of any kind or character, including but not limited to reasonable attorney fees and costs (collectively “Claims or Losses”), arising from or relating to any negligent or wrongful act or omission of the Indemnifying Party, its officers, agents or employees (including, without limitation, its contractors and subcontractors), which occurs in the performance of, or otherwise in connection with, this Agreement and the Renewal Project, including without limitation, all Claims or Losses arising out of or related the City’s failure to pay any contractor or subcontractor for services performed or materials provided.

6. **REPORTING.** The City shall provide monthly updates to the Foundation and the Friends on City Funds remaining for disbursement. The Foundation shall provide monthly reports to City with respect to Stewardship Funds remaining for disbursement at such time as such funds are to be disbursed and shall promptly notify the City if the Stewardship Committee determines any expenditures submitted for reimbursement are determined not to qualify for reimbursement from Stewardship Funds (i.e. such expenses are determined by the Stewardship Fund not to qualify as “Library building capital improvements). The Friends shall provide monthly updates to the City and the Foundation as to the remaining Grant Funds available for disbursement at such time as such funds are to be disbursed and shall promptly notify the City if the Friends determines that any expenditures submitted do not qualify for disbursement from the Grant Funds based upon the stated purposes of such funds.
