TO: Recreation Board
FROM: Kyle Susic, Recreation Manager
MEETING DATE: January 24, 2019
SUBJECT: Recreation Board Goals and Objectives

RECOMMENDATION
Create a list of Goals and Objectives to assist the Recreation Staff with formulating a vision and course of action for 2019.

DISCUSSION
The Recreation Staff is encouraging the newly formed Recreation Board to provide staff with a list of Goals and Objectives for the year 2019. These Goals and Objectives are the next step in the staff’s response to implementing the vision created by the Recreation Assessment results. They will help serve as a roadmap for prioritizing projects, programs and tasks, as well as create a source of accountability for staff to use in their evaluation of the department throughout the year.

RESPECTFULLY SUBMITTED,

RECREATION PROGRAM MANAGER
TO: Recreation Board

FROM: Kyle Susic, Recreation Manager

MEETING DATE: February 28, 2019

SUBJECT: Recommend the City Council adopt a Resolution Amending Council Policy 200-3, the Morris Dill Courts and paint additional pickle ball lines. The Project qualifies for a Class 1 Exemption under California Environmental Quality Act (CEQA) – CEQA Article 19 – Section 15301 (Existing Facilities).

RECOMMENDATION
Recommend the City Council adopt a resolution amending Council Policy 200-3 the Morris Dill Courts and paint additional pickleball lines to make a multi-use space on court #4.

DISCUSSION
The Pacific Grove Morris Dill Courts, located at the Pacific Grove Community Center, 515 Junipero Ave, provides a venue to meet the public’s recreational racket sport needs.

Council Policy 200-3
Policy 200-3, the Morris Dill Courts, provides a framework of operating rules to allow for community use while protecting the residential character of the surrounding neighborhood and outlines priorities for future programming and oversight of the facility. The Policy was adopted in 1988 and amended in 2006 and 2011.

Staff is recommending additional amendments to the Policy. These changes were prompted by the separation of the on-site Tennis Professional, growing interest in the sport of Pickleball by local community members, and community desire for public access to the courts. Proposed changes include:

1. Altering the “Purpose and Objectives of the Morris Dill Courts” section of the policy to allow public use of the courts for a variety of “racket sports”, rather than limiting the facility to tennis. Racket sports include, but are not limited to, tennis, pickleball, and badminton.

In the fall of 2018, staff reached out to the City Attorney’s Office to review the allowable activities at the courts. It was determined that pickleball is an allowable activity per the current policy. By re-defining the policy to allow “racket sports” the Recreation Department would have the ability to accommodate the growing interest of the local community members in the sport of pickleball, as well as offer and provide a multi-use
2. Altering the “Court Operation and Management” section of the policy to re-assign the operations and management of the courts to the Recreation Department and allow the Recreation Department to enter into an agreement with a Racket Sport Professional if they so choose.

The current policy lists that operations and management of the courts is done so by a Tennis Professional. There is no current agreement with a Tennis Professional for oversight of the facility.

3. Modify the “Court Rotation” section to simplify the rules of play and create a structured overview that is conducive for a variety of racket sports.

The existing policy currently provides rules and regulations that are specific to the sport of tennis that were enforced by the on-sight Tennis Professional.

4. Modify the “Fee, Lessons, Clinics and Camps” section to allow the courts to be open to the public during operational hours free of charge and to re-assign scheduling, permitting and programming of the facility to the Recreation Department. Included in the modification; as a way of managing the activities that take place on the courts, a Reservation Permit will be required all groups, teams, clubs and/or organizations. In addition, any and all lessons, clinics and/or camps must be approved by the city’s Recreation Department and be taught by a City-designated instructor.

The current policy covers a variety of groups and activities that are outdated and not currently being offered; ex. Co-Sponsored Tennis Tournaments, Socials, Interclub, and Junior Tennis Teams. It also states that fees and approval of reservations may be set by the Tennis Professional. Since the separation of the on-sight Tennis Professional, the activities and use of the courts has significantly increased. However, there have been numerous instances where individuals have taken it upon themselves to block off courts for the instruction of private lessons and large groups have organized scheduled meeting times without any approved reservations or permits. These unregulated activities have been a cause of discussion and complaints from the local tennis and pickleball players as well as the residence that surround the courts. These activities, although recreational in nature, do not follow the guidelines listed in the Purpose and Objectives of the courts, “in order to foster and promote broad recreation opportunities for all, certain priorities must be established to cover lessons, clinics, tournaments, leagues, and other activities deemed to be in the best interest of the community”. All reservation and programming fees at the Morris Dill Courts will follow the City’s Master Fee Schedule.

Pickle Ball Lines
Following the responses from residents who participated in the Recreation Assessment; and due to growing interest in the sport of pickleball from community members, city staff permanently painted two pickleball courts on court #5 and marked the corners of two additional pickleball courts on court #4 at the Morris Dill Courts in the fall of 2018. Staff is recommending that the pickleball courts on court #4 be filled in to complete the project of providing four permanent pickleball courts at the complex. Doing so would allow the Recreation Department to retain three primary tennis courts and offer two full multi-use courts as well as accommodate the current amount of pickleball activity at the site.
FISCAL IMPACT
There will be minimal fiscal impact associated with painting of the pickle ball lines on court #4. We estimate this will not exceed $850.

OPTIONS
1. Take no action
