

## Monterey Bay Economic Partnership (MBEP)

### [MBEP Resources \(Click Here\)](#)

The MBEP Housing Team continues to make progress in supporting local governments and other partners in addressing our housing needs during the health emergency. Please see our [COVID-19 Housing Response Position Paper](#) for more detail on our recommendations.

**Tomorrow marks the first of another month with rent payments due. We know that many residents are experiencing financial challenges and may have questions regarding their rent or other housing related concerns.** We have partnered with United Way Monterey County and other Monterey County based advocates to develop the attached Renter Resources infographic (English and Spanish versions) which we encourage you to use and share through your respective networks and digital platforms along with the links below.
