I have a degree in Aerospace Engineering from the University of Notre Dame and several decades of experience in System Engineering at Lockheed Martin. My background is in project management, complex technologies, and budget analysis. I have been a resident in Pacific Grove for 20 years and attend City Council meetings to make comments and ask questions on items of concern to residents. As a resident, I was instrumental in obtaining our new fire truck when the subject came to council. I was on the Traffic Commission for four years and I am currently the Chairperson of the Planning Commission. I volunteer with the Pacific Grove Community Emergency Team (CERT). I love the beauty of our beaches, our trees, and the small-town qualities of Pacific Grove. The history and local culture of Pacific Grove is unique to the Monterey Peninsula. I support and value community input in addressing issues of concern in our city and enjoy collaborating with city staff to best serve the residents. I hope to serve the Pacific Grove residents with a fair and open mind, while solving problems and ensuring the fiscal health of our beloved city.
