MESSAGE FROM
THE CITY MANAGER
Welcome to the inaugural City of Pacific Grove Community Catalog! We’re pleased to be able to provide this guide listing the many offerings available here in P.G. Whether it’s a Recreation class, a Library program, a volunteer opportunity, or a public service appointment to a City advisory board or commission, the Community Catalog is designed to consolidate the City’s offerings into one central location.

This publication has been created as the City slowly emerges from the Covid-19 global pandemic. For much of the past year, the City primarily offered virtual opportunities, in keeping with the Monterey County Shelter in Place Order. But with the increased availability of the vaccine and decreased Covid cases throughout Monterey County, restrictions have been somewhat eased. The offerings available within the Community Catalog reflect this evolution, with still more to come as the situation steadily improves.

Thank you for your enrollment, involvement and interest in the City of Pacific Grove’s community offerings. -Ben Harvey
